Dear Parent/Guardian of Grades 7-12:

Greetings!

Please read this entire letter so you can be informed of our various session options, tuition payment information and other items of interest.

Grades 9-12 - Brand New ‘Summer Session’ added: (choose either morning or afternoon)

August 6-17th (Monday-Friday – 8:30 – 11:30 am)

August 6-17th (Monday –Friday – 12:30 – 3:30 pm)

This would fulfill the usual weekly year-long obligation, however, students who enroll in this session would agree to attend at least (3) special events throughout the year such as: Adoration, Reconciliation, special youth speakers and events.

Registration for the following sessions will be **August 1-10th**: Go to www.blessedtrinitycluster.com, click on Faith Formation –Blessed Trinity Cluster Faith Formation and scroll down to MySchoolSystems.

Grades 7-12 Wednesday early dismissal classes (1:40-2:40):

Classes will begin on Wednesday, August 29th. This session is very popular so please register early as class size is limited. For your convenience, busing will be available for our 7/8th grade students. They will board a WD bus at approx. 1:30 pm for transportation to the St. Mary campus. They will be transported back to the Middle School for any extracurricular activities at 2:40 pm. Transportation for Grades 9-12 will be the responsibility of the student. Due to the shorter class time (1 hour vs 1.5 hours in the evening) this session meets more often throughout the school year than the evening class. This is to insure that we meet the diocesan requirements for faith formation hours. *Please make sure this session is the right fit for your child’s schedule. Any school make-up work/tests, doctor appointments, practices, etc. will need to be scheduled outside of this session time. Please choose another session option if your child will have sports practices throughout the year that will conflict with this session time.*

Grades 7-12 Wednesday evening session from 6:45-8:15 pm. Classes for this session begin on September 5th. ↓

Grades 9-12 - 3:00-4:00 pm Wednesday afternoons: This session will begin on August 29th and follow the early dismissal schedule. This session is generally smaller in class size with a more intimate and intentional focus. This is a great option for those who will have a conflict with the early dismissal session! (Must have at least 7 students registered to hold this session).

Tuition & Payment Information:

Tuition for Grades 7-12 will be \$100.00. There will be an additional fee of \$25.00 for our 11th grade students in Confirmation to cover the cost of materials.

Important Payment Information:

EFT (Electronic Funds Transfer) will be the only payment method offered on our **secured** and **layered** registration site. Families will have the option to select their payment of choice; payment in full or (3) equal monthly payments. Both options will require you to enter your banking information. If you are a SCRIP user please check the appropriate box and your SCRIP credit will be deducted from your EFT payment amount. If another option is needed, please contact the faith formation office to set up a pre-arranged payment plan prior to registration.

It is our greatest honor and privilege to assist you as parents in forming our young people to love and live their Catholic faith. It takes a village!

Please contact our office with any questions you might have. Thank you!
